Bee and me!

By Alison Jay

Published by Old Barn Books £6.55 (p/b)

Age range: Two – five years old

Description

A bee flies in the window and a little girl is frightened. She traps the bee and then wonders what to do.

This beautiful picture book traces the growing friendship between girl & bee and introduces small children to the ecology of the natural world.

Highlighting the plight of the disappearing bumble bee, it shows how some simple actions can help restore beauty and balance in our environment.

Reviews

'Bee and me is a picture book with no words. Which I loved. My toddler and I enjoyed looking at the pictures and I enjoyed weaving the story using our imagination, because there are no words there is ample opportunity for discussion about what is going on in the pictures. It brings the child into the story and engages their imagination. Beautifully illustrated it's one for all kids' bookcases.'

'This is a wonderful story of friendship that will invite many varied retellings. It also contains helpful back matter about the importance of bees and how to attract and protect them.' School Library Journal
