CONSULTANCY & TRAINING

With over fifty years of experience delivering high quality outdoor learning the staff at Suntrap Forest Centre can provide;

- advice and guidance on the best use of your school grounds as a teaching resource
- training for staff

Contact us to discuss how we can help. This service is free for Waltham Forest schools until October half term 2020.

ADVICE ON USING SCHOOL GROUNDS

A member of the Suntrap team will visit your school to provide help and advice on developing your grounds into an inspirational space for learning. Get bespoke advice on how to improve your school's outdoor space.
£500 per school, **free for Waltham Forest schools until October half term 2020.**
