

Suntrap Book Review

Agents of the Wild: Operation Honeyhunt

By Jennifer Bell and illustrated by Alice Lickens

Published by Walker Books £6.99 (h/b)

Age range: Six to eight years old

Description

Enter the world of Agnes & Attie; Agents of the Wild, this is fun-packed young fiction with wildlife conservation themes.

This is an adventure-filled book following a young 8-year-old environmentalist who wants to protect the animals and the world. She just adores wildlife so she is keen to make a good impression and help out on Operation Honeyhunt.

The book has some amazing artwork that really brings the story to life. With conservation and endangered animals as well as trying to save the planet at the forefront in society, this book has come at a good time.

Overall, it is a wonderful read for any child, especially those who are interested in conservation. The story has you turning the pages quickly wanting to keep up with the action and will give children something fun to read at a time when we could all do with a bit of relief.

Reviews

'I had such fun reading *Agents of the Wild: Operation Honeyhunt* by Jennifer Bell and Alice Lickens. This tale of Agnes Gamble's first thrilling adventure with the ragtag heroes of SPEARS is funny, imaginative and oh so exciting. Young readers won't be able to put it down. I'm already looking forward to the next book in the series!' *Timothy Knapman*

'I want to be an agent of SPEARS! Readers young and old will fall in love with Agnes and Attie. Jen and Alice's imagination shines through in this wonderful, rollicking, fun (and fact) filled adventure.' *Ellie Irving, author of The Matilda Effect*

'Children will love following Agnes on her hilarious mission while learning facts along the way. Every page is covered in dynamic green and black illustrations perfect for this new wildlife loving series. Ideal for young eco-warriors.' *South Wales Evening Post*

'I absolutely LOVED 'Agents of the Wild - Operation Honey Hunt'. Such a fun read, and packed full of interesting animals and facts to learn about alongside the story. Already looking forward to the next Agnes and Attie adventure!'
