

Make Hanging Decorations

1. Draw and cut out a tree shape on card.
2. Tape a loop of ribbon or string to the back.

For a tree—you will need:

- Scrap card
- Thin twigs or plant stems
- Glue and spreader
- Ribbon or string
- Sticky tape and scissors

3. Cover one side of the tree in glue.
4. Break or cut thin twigs and glue them on horizontally.

5. finish the top part of the tree
- Glue the trunk and arrange sticks going up and down (vertically)

For a star —you will need:

- Two long, bendy sticks like willow or six shorter sticks. Make sure they are the same length.
- Some string. You may also like some wool to decorate or hang your star.

1. Bend willow into an equal-sided triangle and tie the ends together /or/ Tie three shorts sticks together to make a triangle. Make a second.

2. Flip one triangle upside-down and tie the two together. You can wind wool around the edges to decorate further.
