

# Camping pod residential

Our wooden 4-person pods are well suited for camping in the 21st century. Compactly designed, our pods are both functional and sustainably heated; providing a back to nature experience for your pupils all year round. Set in a cosy circle around a fire pit nestled in our wildflower meadow or sheltered in woodland.

Suntrap Forest Centre is based within easy reach of East London.

<b>Exclusive use of state-of-the-art lodge: dining area for up to 80 people, single sex toilets &amp; showers (including accessible facilities) &amp; four acre field.</b>	
<p style="color: green;">Make your residential an eco, coach free camp. We can arrange to transfer your luggage by electric vehicle to/from Chingford station or if local to/from school. Start your eco camp with a guided walk from Chingford station through Epping Forest to Suntrap.</p>
